Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 13 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing Tuesday evening prior to a more settled period.

This Evening and Tonight:
This evening, any remaining showers ease and clear into the night, leaving settled and dry conditions throughout. Little to no cloud allowing for plenty of clear spells. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Another dry start, leading into a mostly settled day with plenty of sunshine. Patchy cloud in southernmost and easternmost areas could bring the odd shower during the afternoon. Very warm. Maximum temperature 25 deg C (77 deg F).

Outlook for Thursday to Saturday:
Some drizzle in places on Thursday morning, but brighter by the afternoon with a few sunny spells. Dry, mostly sunny and very warm on Friday and Saturday.
